A little note from Mrs FitzGerald...

What a great job Otters Class did in their Celebration Presentation this morning, I am so glad lots of you were able to come along!

All the children were very engaged in their enhancing PSHEE (Personal, Social, Health & Economic Education.) sessions with Annie from OM Health Consultancy on Tuesday giving consideration to being resilient as a main part of their inputs.

I am waiting for quotes from local arborists with regards the goat willow and sycamore trees around the pond area, once these works are undertaken the landscaping company will 'forge ahead', hopefully the support of B&Q in Haverhill and Tesco!

Like everyone I am hoping this sunshine sticks around ~ wishing you all a lovely weekend!

Warm regards, Mrs FitzGerald

FREE SCHOOL MEALS ~ ARE YOU ELIGIBLE?

With the current economic climate and continuing rises in costs to living, we wanted to remind families about accessing free school meals.

We strongly urge you to check, especially if your circumstances have changed or change unexpectedly and remember they are not just available if you are unemployed. The process is completely confidential and pupils entitled to and claiming free school meals are not identified in any way.

You can be reassured your child has access to a healthy, nutritious and tasty meal at lunchtime and is well nourished for an afternoon of learning.

In addition, the number of pupils registered will positively impact on school funding; in these tricky financial times this will provide much needed extra financial support to the school so please check and register, whether or not your child wishes to eat a school meal regularly.
