A little note from Mrs FitzGerald...

What a great job Cherry Class did in their Celebration Presentation this afternoon, I am so glad lots of you were able to come along!

A big well done to our Year 6's who have been completing their statutory assessment tests this week - we are so proud of them!

Attached to this letter is a flyer for some parental information sessions linked to online safety, it is from the NCA (National Crime Agency) and is very much about supporting our children with their cyber safety and online choices. Whilst it is aimed at parents with children age 9 and over I am sharing it more widely as I know lots of you are keen to try and keep ahead in an area which is constantly evolving. The link to their website is here <https://nationalcrimeagency.gov.uk/cyber-choices> and this outlines information about the legalities as well as links to other information. Another source of information we've shared before is the UK Safer Internet Centre and again here you can find lots of support about mobile phone use, social media and games consoles <https://saferinternet.org.uk/guide-and-resource/parents-and-carers>

I hope you have a lovely weekend everyone!

Warm regards, Mrs FitzGerald

DRIVING AND PARKING AROUND THE SCHOOL SITE

When dropping off and collecting your child/ren from school please park safely.

Avoid parking in front of dropped kerbs or driveways and ensure there is clear and sufficient pedestrian access to support our children coming to and from our school.

Please do not park on the grass verges along North Street, do not stop on the school's yellow lines and avoid blocking the junction with Church Street.

Park a little further away and take the short walk to the school site to keep everyone safe.

Thank you for your help and support in this important matter.

FREE SCHOOL MEALS ~ ARE YOU ELIGIBLE?

With the current economic climate and continuing rises in costs to living, we wanted to remind families about accessing free school meals.

We strongly urge you to check, especially if your circumstances have changed or change unexpectedly and remember they are not just available if you are unemployed. The process is completely confidential and pupils entitled to and claiming free school meals are not identified in any way.

You can be reassured your child has access to a healthy, nutritious and tasty meal at lunchtime and is well nourished for an afternoon of learning.

In addition, the number of pupils registered will positively impact on school funding; in these tricky financial times this will provide much needed extra financial support to the school so please check and register, whether or not your child wishes to eat a school meal regularly.
