Laying the foundations for a bright future

Website link: www.htpfederation.co.uk

A little note from Mrs FitzGerald...

Another excellent couple of weeks here at Hundon! It was lovely to see so many of you at our Harvest Festival service just before half-term, we really appreciated your support!

Last week Cherry Class did a great job of sharing some of their learning, singing their alphabet song for us as well as demonstrating their sound learning. Our children in Oak and Hawthorn classes visited the Science Museum in London! It made for a very long day but our children were a credit to the school and you, both whilst at the museum and whilst patiently travelling there and back!

We have a lot happening in the coming weeks, our elections for School Council, our Christingle Service, the Reception and Key Stage 1 nativity to name but a few! Be sure to check the forthcoming events list to make sure you have dates in your diary!

Have a lovely weekend everyone!

Warm regards, Mrs FitzGerald

~ THURSDAY 28TH NOVEMBER ~

On the 28th November, Rebecca (in Hares Class, at our sister school,) is cutting 15 inches off her hair to donate to the **Little Princess Trust**. She is doing this in memory of Bryony Dearman, a parent in the Thurlow school family, who died a year ago after a battle with cancer.

The **Little Princess Trust** is a charity that provides real hair wigs, free of charge, to children and young people who have lost their own hair through cancer treatment or other conditions such as Alopecia. She is also fundraising to raise money towards paying for a wig to be made.

Rebecca is only 10 years old, and has been growing her hair since she was 2. In her words, *"For most people our hair is a large part of our personality so it will be a major change for me to cut off 15" of my hair ~ especially as I have been growing it since I was 2 years old! I cannot imagine how lifechanging losing all your hair is and I am really pleased that my hair will be used to make a wig for a child that has."*

If you would like to support Rebecca you can donate here:

<https://www.justgiving.com/page/rebeccas-big-cut>

Thank you!

DRIVING AND PARKING AROUND THE SCHOOL SITE

We are sending this message to remind parents and carers of the importance of driving and parking safely around the school site. It is vital due care and attention for our school, our neighbours and other drivers is given. We know it is very challenging to park around our school site but **none of us want a child attending our setting to be a road traffic accident statistic!**

You can report road traffic incidents (speeding / illegal stopping etc...) to the police here: <https://www.suffolk.police.uk/ro/report/>

Issues with 'on street parking infringements' can be reported here: https://westsuffolk-self.achieveservice.com/service/Report_street_parking_infringement Specific vehicles, photos and times can be uploaded and Civil Enforcement Officers (CEOs) can and will issue penalty charge notices (PCNs.)

Please consider leaving a little earlier and use the parking available at the village hall or the Rose and Crown and take the short walk to and from the school site.

Children remain the responsibility of their parents until they are handed over to school staff at the start of the school day. Please, please have due care and attention when dropping off and collecting your child/ren.

Thank you for your support in this important matter.
